

Brownfields Resources

Below is a list of other resources to help you with your brownfield project, including available training and organized industry associations:

Brownfields Ontario

<http://www.mah.gov.on.ca/Page220.aspx>

Provides information and links concerning the Ontario Ministry of Municipal Affairs and Housing's role in government action on brownfields and includes links to other agencies, numerous incentive programs, legislative initiatives and other programs.

Canada Mortgage & Housing Corporation (CMHC)

<http://cmhc.ca/en/inpr/su/sucopl/>

The goal of CMHC is to encourage neighbourhood design and land use planning approaches that reduce costs and environmental impacts, while maintaining community livability. As such, the CMHC has become actively involved in the sustainable development of residential units across Canada, including the utilization of brownfields.

Canadian Brownfields Network (CBN)

<http://www.canadianbrownfieldsnetwork.ca>

The CBN is a national advocacy network for brownfield practitioners and stakeholders who want to effect change regarding brownfield redevelopment in Canada. The CBN is an advocate for brownfield development, acts to implement recommendations made by the National Round Table on the Environment and the Economy, and delivers outreach activities to create linkages and connectivity between private industry, government agencies and non-governmental organizations.

Aboutremediation.com

www.aboutremediation.com

Aboutremediation.com is Canada's leading information resource on site remediation and brownfield redevelopment, offering relevant information and tools for stakeholders and practitioners to guide them through remediation, reclamation and redevelopment.

National Brownfield Association

www.brownfieldassociation.org

The National Brownfield Association is an international umbrella organization of

national associations focused on the responsible redevelopment of brownfields. The organization reflects a variety of brownfield stakeholders and offers education courses and events on brownfield and redevelopment issues.

Brownfield News

www.brownfieldnews.com

Brownfield News is a bi-monthly magazine published by the National Brownfield Association detailing important events and trends in the industry.

Province of Ontario - Practical Guide to Brownfield Redevelopment in Ontario

This guide was developed by the Province of Ontario to help users understand the brownfield redevelopment process in Ontario by summarizing details related to brownfield legislation, practices and projects in Ontario, namely those that are subject to change.

Brownfields Showcase II

<http://www.mah.gov.on.ca/Page6977.aspx>

This handbook was prepared to help give municipalities insight into how they might approach brownfields redevelopment within the context of their economic-development goals. The handbook includes details on multiple brownfield case studies and provides guidance on how to develop frameworks that encourage brownfield development in light of urbanization trends and changing development patterns.

Growth Plan for the Greater Golden Horseshoe

https://www.placestogrow.ca/index.php?option=com_content&task=view&id=9&Itemid=14

In 2006, the Province of Ontario approved the Places to Grow: Growth Plan for the Greater Golden Horseshoe. This legislative document provides growth guidelines that will both preserve the environment and encourage economic growth in the Greater Toronto Area, the Region of Waterloo and the Niagara Region.
